1 1. Background and Recitals

2 1.1 This Class Action Settlement Agreement—between (i) Costco Wholesale
3 Corporation and (ii) Class Representatives Rae Ellis, Leah Horstman, and Elaine
4 Sasaki—is intended to settle, subject to Court approval, the above-captioned class
5 action, *Ellis v. Costco Wholesale Corp.*, Civ. No. C-04-3341 EMC (N.D. Cal.),
6 through two principal means:

7 1.1.1 implementation of certain programmatic terms, described in Section 4, and

8 1.1.2 implementation of a claims process to address monetary claims, described
9 in Section 5.

10 1.2 The Parties have entered into this Class Action Settlement Agreement with
11 reference to the following facts.

12 1.2.1 This action was filed in the United States District Court for the Northern
13 District of California, in August 2004. The Fourth Amended Complaint
14 asserts claims on behalf of two classes of employees, alleging that Costco
15 has maintained a promotion system that discriminated against women in
16 making promotions to Assistant General Manager and General Manager in
17 U.S. warehouses.

18 1.2.2 Costco has answered the complaint, denying its material allegations while
19 presenting various defenses. Costco disputes all claims alleged and does
20 not by this Agreement admit any liability or wrongdoing whatsoever.

21 1.2.3 The United States District Court Judge, the Honorable Edward Chen,
22 issued an order on September 25, 2012, certifying the following two
23 classes:

24 1.2.3.1 Injunctive Relief Class: “All women who are currently
25 employed or who will be employed at any Costco warehouse in
26 the U.S. who have been or will be subject to Costco’s system
27 for promotion to Assistant General Manager or General
28 Manager.”

1.2.3.2 Monetary Relief Class: “All women who have been employed
at any Costco warehouse store in the U.S. since January 3,
2002 who have been subject to Costco’s system for promotion
to Assistant General Manager or General Manager positions.”

1.2.4 The Parties have engaged in substantial discovery, including dozens of
deposition sessions and production of hundreds of thousands of pages of
documents.

1.2.5 The Parties jointly retained a neutral mediator, Mark S. Rudy, and
engaged in multiple in-person and telephone mediation sessions over
several months. Mr. Rudy has extensive experience in mediating complex
employment discrimination and class action cases. The Parties submitted
to the Court in camera on October 14, 2013, a memorandum of
understanding setting forth the principal terms that were a product of that

1 negotiation. This Class Action Settlement Agreement supersedes that
2 memorandum.

3 1.3 No court has made any finding of liability.

4 2. Definitions

5 The following terms in this Class Action Settlement Agreement, including any Exhibits
6 and Notices, shall have the meanings assigned to them below.

7 2.1 "Action"

10 2002 who have been subject to Costco’s system for promotion to Assistant General
11 Manager or General Manager positions,” minus those who opted out in response to the
12 Initial Class Notice. The Parties agree that these are the individuals who, at any time
13 since January 3, 2002, have held, in a U.S. warehouse, either an AGM position or a
14 Senior Staff position. These individuals will be identified through use of the Lawson job
15 codes in Costco’s databases (job code 2001 for the AGM position, and job codes 2002-

22 Settlement.

23 3. Settlement Fund

24 3.1 Costco will pay a gross settlement of \$8 million on a non-reversionary basis,
25 which will include any interest awarded as part of a Claimant’s economic
26 damages. This sum of money shall be known as the Gross Settlement Fund.

27 3.2 Costco will make an initial deposit, sufficient to cover anticipated costs of
28 administration and any Service Payments approved by the Court, within ten (10)
days of Final Approval of the Class Action Settlement Agreement. Costco will,
unless otherwise agreed by the Parties, deposit the balance of the \$8 million upon
the entry of the final award made during the Monetary Claims Process.

3.3 The Net Settlement Fund will be the Gross Settlement Fund minus Administrative
Costs, and minus any Service Payments awarded to the named plaintiffs by the
Court under Section 10.4.

3.4 Described below is the process for determining which class members, if any, are
entitled to share in the Net Settlement Fund, and in what amounts, if any.

1 3.5 Any funds not awarded to Class Members who prevail in the Monetary Claims
 2 Process will be used as follows: (i) the first \$100,000, or fraction thereof, will be
 3 used to pay the Independent Consultant to the extent that Independent Consultant
 4 fees exceed \$100,000; (ii) any remainder will be donated to Network of Executive
 5 Women, Consumer Products/Retail (“NEW”), (www.newonline.org), to fund
 6 scholarships or otherwise assist women pursuing leadership roles in retail
 7 management. Within thirty (30) days of any determination that there are funds
 8 available to distribute to NEW, the Parties will confer as to whether the funds
 9 should go entirely to scholarship recipients or to other NEW-related recipients as
 10 well. Those other recipients may include female Costco employees or programs
 11 whose interests reasonably approximate those of the Class Members, and conform
 12 to the legal principles guiding *cy pres* distributions.

13 3.6 The Net Settlement Fund shall not be used to pay attorneys’ fees and costs, or fees
 14 and costs for arbitrators, or the Named Plaintiffs’ claims brought in court pursuant
 15 to Section 10.2.

16 4. Programmatic Terms

17 4.1 Independent Consultant

18 4.1.1 Selection – The Parties have selected DCI Consulting Group as the
 19 Independent Consultant who will have the responsibilities listed below. Dr. Michael Aamodt and Dr. Eric Dunleavy of that firm, Industrial
 20 Organizational Psychologists (IOPs) who have experience conducting
 21 professional job analyses and developing selection criteria for
 22 management-level positions, will lead and supervise this engagement and
 23 make assignments to other DCI staff as they require.

24 4.1.2 Responsibilities – The Independent Consultant will work with Costco to
 25 conduct job analyses, to evaluate promotion processes, and to develop
 26 selection criteria and assessment tools as further described below.

27 4.1.3 Communication with the Independent Consultant – Costco, its counsel,
 28 and Class Counsel will be free to communicate with the Independent
 Consultant concerning any aspect of the work conducted in connection
 with this Agreement.

4.1.4 Compensation of the Independent Consultant – Costco will pay all fees
 and expenses of the Independent Consultant, except to the extent provided
 in Section 3.5.

4.2 Job Analyses and Selection Criteria

4.2.1 Job Analyses – The Independent Consultant will work with Costco’s
 subject matter experts to prepare Job Analyses for the positions of
 Assistant General Manager (“AGM”) and General Manager (“GM”) in
 U.S. warehouses. The Job Analyses will identify the knowledge, skills,
 abilities, experiences, and competencies associated with AGMs and GMs
 whom Costco deems successful in those positions. The Parties anticipate
 that preparation of Job Analyses will entail structured interviews of
 Costco’s subject-matter experts, review of relevant Costco personnel
 practices, and observations of a sample of AGMs and GMs at work.

- 1 4.2.2 The Independent Consultant will provide the completed Job Analyses to
2 the Parties. Absent a good-faith concern, Costco will accept the Job
3 Analyses. If Class Counsel dispute Costco's good faith in raising a
4 concern, then the Parties and the Independent Consultant will confer in an
5 effort to resolve the issues that prompted Costco's stated concerns.
- 6 4.2.3 Costco will make available to its U.S. warehouse management staff
7 revised job descriptions reflecting any accepted Job Analyses.
- 8 4.2.4 Development of Proposed Selection Criteria – The Independent
9 Consultant will use the Job Analyses that Costco has accepted to develop
10 proposed Selection Criteria and tools for their assessment, which may
11 include modifications to the AGM selection process, if necessary, and
12 suggestions for Costco to consider in connection with the GM selection
13 process.
- 14 4.2.5 The proposed Selection Criteria will be developed based on the
15 Independent Consultant's professional judgment. To the extent that Costco
16 adopts Selection Criteria, they will be in writing, non-discriminatory, and
17 job-related.
- 18 4.2.6 To the extent that the proposed Selection Criteria take into account
19 performance evaluations, "Ready Now" ratings, or other similar evaluative
20 tools, then these tools will also incorporate non-discriminatory, job-related
21 selection criteria.
- 22 4.2.7 If the proposed Selection Criteria take into account an employee's
23 merchandising experience, then women will have the same opportunity for
24 merchandising training and experience that are available to similarly
25 situated male employees. Costco may use performance evaluation forms to
26 document merchandising opportunities offered to, accepted by, and
27 declined by employees.
- 28 4.2.8 If the proposed Selection Criteria take into account an employee's
willingness to relocate, then Costco will apply any relocation criteria in a
non-discriminatory, job-related manner.
- 4.2.9 AGM Selection Criteria and Assessment Tools – Costco will, absent a
good-faith concern, implement any Selection Criteria and Assessment
Tools that the Independent Consultant proposes for promotions into AGM
positions. Costco will incorporate implemented proposals, where and as
appropriate, into the job descriptions, performance evaluations, and
promotion process for AGM.
- 4.2.10 Consideration of Proposed GM Selection Criteria and Assessment Tools –
Costco will, in good faith, consider for implementation any proposed
Selection Criteria and Assessment Tools for GM promotions. This
Agreement requires Costco to consider suggested changes in the GM
selection process, in good faith, but does not require Costco to make any
such changes.
- 4.2.11 Counsel for the Parties will jointly meet with the Independent Consultant
to resolve any good-faith concern Costco may have about proposed
Selection Criteria or Assessment Tools.

1 4.2.12 The Independent Consultant, in cooperation with Costco, may pilot or
2 otherwise test the adopted Selection Criteria and Assessment Tools for the
3 AGM position.

4 4.2.13 Post-Implementation Assessment – The Independent Consultant will work
5 with Costco to evaluate job-relatedness of the Selection Criteria and
6 Assessment Tools and decide whether to propose modifications to them.
7 Costco, in exercising good faith, may accept or reject a proposal. If Class
8 Counsel dispute Costco’s good faith in rejecting a proposal, then counsel
9 for the Parties will confer with the Independent Consultant in an effort to
10 resolve any issue that prompted Costco’s stated concern.

11 4.2.14 Costco may, particularly in light of the significance and complexity of the
12 jobs at issue, and the need to fill them efficiently, exercise a right to deny,
13 in good faith, proposals or work product presented by the Independent
14 Consultant, subject to the dispute resolution process described in Section
15 13.9,

16 4.2.15 Class Counsel may initiate the dispute resolution procedure (in Section
17 13.9) if, after conferring with Costco and the Independent Consultant,
18 Class Counsel contend that Costco’s rejection of a proposal is not in good
19 faith.

20 4.3 Posting and Registration of Interest

21 4.3.1 Posting of AGM Positions in U.S. warehouses

22 4.3.1.1 Absent compelling business reasons for using a shorter posting
23 period, Costco will post each AGM opening it intends to fill
24 with a promotion no fewer than ten days before filling it. Each
25 job posting will contain the location of the opening, job
26 description, selection criteria, and the designated minimum
27 qualifications for that opening.

28 4.3.1.2 An open AGM position that Costco intends to fill with a
promotion will be posted within a district or other objectively
defined area, to be broad enough to encompass at least ten
warehouses or a 50-mile radius. The posting will be available
to be viewed by all U.S. warehouse Senior Staff managers (i.e.,
each Front End Manager, Administration Manager, Receiving
Manager, and Merchandise Manager) within that area, whether
or not they meet the minimum qualifications for the position.

4.3.1.3 Costco will provide a mechanism for an employee who meets
the posted minimum qualifications to apply for the posted
AGM position. Costco will audit U.S. warehouses for
compliance with the job posting policy, including the retention
of documents recording the names of qualified candidates who
apply for each AGM opening.

4.3.1.4 Each qualified employee who exercised the right to apply for a
posted AGM opening in a particular warehouse will be
informed of the identity of any individual who is selected for
that opening.

1 4.4.4 Costco will maintain records of every AGM promotion, including the
2 identities of qualified applicants (those who met posted minimum
3 qualifications), the identities of the applicants interviewed, the identities of
4 decision-makers, the identities of candidates who received offers, the
5 identity of the candidate who received the position, and the reason for the
6 selection.

7 4.4.5 Costco will maintain information about Selection Criteria and Assessment
8 Tools on its intranet, accessible to warehouse management employees.

9 4.5 Training

10 4.5.1 Within a reasonable time of implementation, Costco will train managers
11 responsible for AGM and GM selections regarding the AGM job posting
12 system and the GM registration of interest system.

13 4.5.2 Within a reasonable time of implementation, Costco will train managers
14 responsible for AGM and GM selections regarding any Selection Criteria
15 and Assessment Tools that it has adopted through the procedures
16 described above.

17 4.6 Communication On Posting, Registration of Interest, Selection Criteria, and
18 Assessment Tools

19 4.6.1 Within a reasonable time of implementation, Costco will inform U.S.
20 Senior Staff managers and AGMs about the AGM job posting system and
21 the GM registration of interest system.

22 4.6.2 Within a reasonable time of implementation, Costco will inform U.S.
23 Senior Staff managers and AGMs about any Selection Criteria and
24 Assessment Tools that it has adopted through the procedures described
25 above.

26 4.7 Recordkeeping

27 4.7.1 Costco will maintain records necessary to monitor its compliance with the
28 terms of this Agreement.

4.8 General Non-Discrimination Provisions

4.8.1 As stated in Costco's policies, sex discrimination with respect to
promotion into AGM or GM positions is prohibited.

4.9 Costco's Retained Discretion

4.9.1 Except insofar as the terms of this Agreement may specify otherwise,
nothing in this Agreement shall limit Costco's exercise of its managerial
discretion to select, transfer, promote, compensate, discipline, or dismiss
any employee, including any Class Member, in accordance with law.

4.10 Duration

1 4.10.1 The programmatic terms described in this Section 4 will take effect on the
2 Effective Date and will remain in effect for two years after the
3 Implementation Date.

4 5. Monetary Claims Process

5 5.1 Arbitrators

6 5.1.1 Qualifications – The arbitrators will be experienced in employment
7 discrimination disputes. The arbitrators selected must have a reputation
8 such that they are generally acceptable according to a consensus of the
9 plaintiffs’ bar and the defense bar.

10 5.1.2 Selection – The Parties will attempt to agree upon persons to act as
11 arbitrators for all Claims. If the Parties are unable to agree, then the Parties
12 will submit separate proposals to Mark Rudy, and he will appoint the
13 arbitrators.

14 5.1.3 Replacement – In the event that an arbitrator becomes unavailable to
15 fulfill her or his duties, the Parties will meet and confer in an attempt to
16 agree on a replacement. If the Parties are unable to agree, then the Parties
17 will submit separate proposals to Mark Rudy, and he will appoint the
18 arbitrator.

19 5.1.4 Number of Arbitrators – Once the type and number of Claims is
20 determined, the Parties will attempt to agree upon the number of persons
21 to act as arbitrators for all Claims. No arbitrator will be selected to hear
22 more than five Claims, absent agreement of the Parties. If the Parties
23 cannot agree, then they will submit separate proposals to Mark Rudy, and
24 he will determine the number.

25 5.1.5 Removal – Any arbitrator may be removed by agreement of the Parties, or
26 by petition from either party to Mark Rudy. He will grant the petition only
27 upon a showing of good cause. If the arbitrator is removed, then the
28 Parties will confer on a replacement. If the Parties cannot agree, then they
will submit separate proposals to Mark Rudy, who will appoint the
arbitrator.

5.1.6 Unavailability of Mark Rudy – If Mark Rudy is unavailable to perform
any of the tasks noted above or the process set forth in Section 5.5.7, then
Hunter Hughes will serve instead.

5.1.7 Compensation for Arbitrators – Costco will pay arbitrators’ fees and costs
except the Parties will pay whatever fees are incurred by Mark Rudy or
Hunter Hughes to resolve the selection of arbitrators. An arbitrator’s fee
will be a flat fee in the amount of \$10,000 for a Claim by Written
Submission and \$25,000 for a Claim by Formal Arbitration.

5.1.8 Limitation of Authority – The arbitrator shall decide only whether the
Claimant was discriminated against, on the basis of her gender, with
respect to a promotion to AGM or GM. The arbitrator has no authority to
issue injunctive relief or determine the amount of damages.

5.2 Making Claims

1 5.2.1 The Monetary Claims Process will include two Claim formats: Claim by
2 Written Submission and Claim by Formal Arbitration. A Class Member
3 can elect to file her Claim in one format only. Claims must be submitted
4 by the Claim Form Submission Deadline. A Claimant may win one Claim
5 only, and if she has multiple Claims she can assert them in the order she
6 chooses.

7 5.2.2 Choice of law – The law to apply will be Title VII of the Civil Rights Act
8 of 1964, as amended.

9 5.2.3 By the Effective Date, the Parties will agree on a list of the AGM and GM
10 promotions within the Class Period, including the warehouse number,
11 location, the date of promotion, the position, and the person selected.

12 5.2.4 As to any Claim, Costco will, 30 days before any deadline applying to the
13 Parties' submission of papers or deposition, whichever is earlier,
14 pertaining to the particular promotion in question, produce personnel files
15 for the Claimant and the person selected, and any document explaining the
16 reasons for that promotion.

17 5.2.5 Process for Filing a Claim

18 5.2.5.1 Any Class Member intending to file a Claim must file the
19 Claim by the Claim Form Submission Deadline.

20 5.2.5.2 The Claim, to be valid, must identify, for each promotion
21 challenged, the warehouse, the position (AGM or GM), the
22 approximate date of the promotion, and the name of the man
23 promoted.

24 5.2.5.3 The Claim Form shall identify which promotions the Claimant
25 challenges, in the order of the Claimant's preference.

26 5.2.5.4 If multiple Claimants challenge the same promotion, then the
27 priorities established in Section 5.4 will apply.

28 5.3 Number of Challenges – Each Class Member may challenge at least one
promotion. A Class Member may make a second challenge provided that she,
immediately before the date of the challenged promotion, had at least five years of
continuous experience in the relevant feeder position or comparable Costco
position or big box retail management position. A Class Member may make a
third challenge if she was, immediately before the date of the challenged
promotion, continuously employed in a feeder position or comparable Costco
position or big box retail management position for ten years at any time since
April 1999.

5.4 Overlapping Challenges – A Claimant's number of months of experience in the
relevant feeder position breaks any tie, to avoid multiple challenges to the same
promotion. Nonetheless, if the result of this tie-breaking provision is that a
Claimant is left with no promotion to challenge, then she is entitled to challenge
one other promotion not otherwise challenged.

5.5 Remedies Available in Monetary Claims Process

1 5.5.1 The remedies available to Claimants will be limited to economic damages
2 only, resulting from a denial of promotion found to be the result of
3 unlawful gender discrimination. Otherwise stated, the remedies available
4 do not include compensatory damages, punitive damages, or reinstatement.

5 5.5.2 Economic damages will be measured by a formula addressing the
6 difference in salary, bonus, and stock-grant value, plus interest. Claimants
7 shall not be entitled to awards of RSUs or shares of stock, as distinct from
8 the cash value of such units or shares.

9 5.5.3 Unless the Parties agree otherwise under Section 5.5.7, for the purpose of
10 computing the value of RSUs or stock, the rules and practices applicable
11 to grants to GMs and AGMs during the class period should be followed,
12 including without limitation rules and practices relating to grants, vesting,
13 tax withholding, and forfeiture.

14 5.5.4 To determine interest, the Class Administrator will apply non-compounded
15 annual simple interest at a rate of 3% for the years 2002-2006 and 1% for
16 the years 2007 forward.

17 5.5.5 Damages end as of the date of the arbitrator's award for a current
18 employee, and as of the date of termination of employment for a former
19 employee.

20 5.5.6 Evidence of damages will be resolved through stipulations without
21 requiring expert foundation. Costco and Claimant's counsel will confer to
22 stipulate, soon after a Claim is submitted, to the amount of the Award that
23 should issue if the arbitrator finds for the Claimant. That stipulation will
24 include, for tax purposes, an allocation of the amounts between wages and
25 interest.

26 5.5.7 By the Effective Date, the Parties will agree on an economic damages
27 formula to achieve the purposes of this Section 5.5. If the Parties cannot
28 agree, then they will mediate the matter with Mark Rudy. If they still
cannot agree, then Mark Rudy will resolve the matter by choosing to
select either the final formula proposed by Plaintiffs or the final formula
proposed by Costco.

5.6 Claimant's Right to Legal Representation for Monetary Claims Process

5.6.1 In making a Monetary Claim, a Claimant may choose to be represented by
Class Counsel, who will seek no compensation from her for either legal
fees or expenses, whether she wins or loses her claim.

5.6.2 A Claimant is entitled to be represented by counsel other than Class
Counsel, under whatever terms she may negotiate with that counsel. But
Costco would not be liable for fees and costs for that lawyer's work,
except as provided in either Section 5.10.6 or Section 5.11.12.

5.6.3 If a Claimant chooses to be represented by counsel other than Class
Counsel, that counsel will be given access to the same information and
documents obtained by Class Counsel through discovery.

1 5.6.4 Class Counsel may decline representation of a Claimant where accepting
2 representation would be inconsistent with Class Counsel's professional
3 responsibilities.

4
5 5.7 Burdens of Proof in Monetary Claims Process

6 5.7.1 The Claimant has the burden to prove by a preponderance of the evidence
7 that she was interested in and qualified for each promotion that she
8 challenges. For promotions into AGM, a Claimant may make a showing
9 that she was denied, because of her gender, the opportunity to rotate into
10 the merchandise manager position, which prevented her from being
11 qualified at the time of the promotion.

12 5.7.2 If the Claimant meets her burden, then Costco will have the burden to
13 prove by a preponderance of the evidence that gender was not a
14 motivating factor in her non-selection for the promotion in question.

15 5.8 Page limitations

16 5.8.1 For briefs and position statements subject to page limitations, the
17 arbitrator will enforce the page limitations (as to margins, font sizes, line
18 spacing, etc.) by referring to the local rules of the United States District
19 Court for the Northern District of California.

20 5.9 Context Information Briefs

21 5.9.1 The Parties will submit to the arbitrators simultaneous Context
22 Information Briefs (up to 30 pages) to describe the relevant policies and
23 practices and any claimed context of the decision-making that either side
24 wishes to advance. Each side will have 30 days to submit a 15-page
25 response brief. The Parties may attach supporting materials, including
26 documents, statistical analyses, deposition testimony, and expert testimony
27 and reports.

28 5.9.2 Each Party has another 30 days to submit a reply brief, of ten (10) pages,
limited to the scope of any data or documents not previously produced in
the litigation that was the subject of the other Party's response brief.

 5.9.3 The Parties shall negotiate in good faith on deadlines for the filing of
Context Information Briefs.

 5.9.4 Each arbitrator has the discretion to decide what weight, if any, the
Context Information Briefs and accompanying materials will be submitted for each Claim proceeding.

 5.10 Claim by Written Submission

 5.10.1 Claims by Written Submission may be confidential or non-confidential.
The confidential option is available only to current employees.

1 5.10.2 Save for Section 5.9, documentary evidence will be limited to the
2 Claimant's personnel file, the contested male's personnel file, and other
3 documents that the arbitrator finds relevant to the Claimant's or the
4 selectee's promotability to the contested position.

5 5.10.3 Each Claimant may present a position statement and supporting materials.
6 Statements of fact by the Claimant will be made under penalty of perjury.
7 Costco may submit a statement in opposition, and supporting materials.
8 Statements of fact by Costco will be made under penalty of perjury. The
9 Claimant may file a reply limited to the scope of the opposition and
10 Costco may submit a sur-reply limited to the scope of the reply. Initial
11 position statements shall not exceed twenty-five (25) pages and further
12 statements shall not exceed fifteen (15) pages.

13 5.10.4 Non-Confidential Claim by Written Submission

14 5.10.4.1 A Claimant prevailing on an AGM promotion Claim may
15 receive a sum no greater than \$150,000.

16 5.10.4.2 A Claimant prevailing on a GM promotion may receive a sum
17 no greater than \$300,000.

18 5.10.5 Confidential Claim by Written Submission – Same as Non-Confidential
19 Document Claims except:

20 5.10.5.1 If a Claimant decides to proceed on a confidential basis for an
21 AGM Claim, then her current AGM and current GM will not
22 be advised of the class member's participation in the process.

23 5.10.5.2 If a Claimant decides to proceed on a confidential basis for a
24 GM Claim, then her current GM and current ROM will not be
25 advised of the Claimant's participation in the process.

26 5.10.5.3 The arbitrator shall lift confidentiality if Costco demonstrates
27 that (a) the Claimant has alleged a specific incident as to a
28 relevant AGM, GM, or ROM to support her Claim, or (b) the
relevant AGM, GM, or ROM is the Costco employee best
qualified to explain the reasons for the promotion at issue.

5.10.5.3.1 If the arbitrator lifts confidentiality because of an
allegation as to a specific incident, then the Claimant
will have the choice of (i) converting her confidential
Claim to a non-confidential Claim, (ii) deciding to
challenge another promotion without making the
allegation, or (iii) proceeding with the current,
confidential Claim without making the allegation.

5.10.5.3.2 If the arbitrator lifts confidentiality because the relevant
AGM, GM, or ROM is the Costco employee best
qualified to explain the reasons for the promotion at
issue, then the Claimant will have the choice of (i)
converting her confidential Claim to a non-confidential
Claim, or (ii) deciding to challenge another promotion.

1 5.10.5.4 If a Claimant, in addressing the need to show her qualification
2 for an AGM promotion, alleges (as per 5.7.1) that she was
3 denied the opportunity to rotate into the position of
4 merchandise manager because of her gender, then Costco may
5 put the Claimant to the choice of (i) converting her confidential
6 Claim to a non-confidential Claim, (ii) deciding to challenge
7 another promotion without making the allegation, or (iii)
8 proceeding with the current, confidential Claim without
9 making the allegation.

6 5.10.5.5 For Claims submitted on a confidential basis, a class member
7 challenging an AGM promotion may receive a sum no greater
8 than \$25,000.

8 5.10.5.6 For Claims submitted on a confidential basis, a class member
9 challenging a GM promotion may receive a sum no greater
10 than \$50,000.

10 5.10.6 Fees and Costs for Prevailing Claims by Written Submission – Class
11 members who prevail on Claims by Written Submission are entitled to
12 seek, from Judge Edward Chen at the conclusion of the Monetary Claims
13 Process, an award of attorneys' fees not to exceed \$10,000 costs not to
14 exceed \$1,000 per successful Claimant, to be paid by Costco. The total
15 attorney's fee award for Claims by Written Submission will not exceed
16 \$750,000. Class Counsel and Costco may informally resolve the fee
17 award without the necessity of a fee motion.

14 5.10.7 The arbitrator will, within thirty (30) days of receiving the Parties' written
15 submissions, issue a written decision not to exceed three pages. The
16 decision of the arbitrator is final and not subject to appeal.

16 5.11 Claim by Formal Arbitration

17 5.11.1 The arbitration hearing will be limited to two consecutive days of not
18 more than 16 hours, and 8 hours for each side.

19 5.11.1.1 The arbitrator will keep track of the time that each side
20 consumes, through presenting argument or interrogating or
21 otherwise.

21 5.11.1.2 All witnesses shall be duly sworn and subject to cross-
22 examination.

22 5.11.2 The Parties may file ten-page pre-arbitration briefs, beyond the standard
23 Context Information brief, with supporting materials. At a reasonable time
24 before the hearing, the parties must exchange lists of individuals they
25 expect to call as witnesses, saving only rebuttal witnesses. Save for
26 Section 5.9, documentary evidence will be limited to the class member's
27 personnel file, the contested male's personnel file, and other documents
28 that the arbitrator finds relevant to the Claimant's or the selectee's
promotability to the contested position.

27 5.11.3 Each side can take one deposition, not to exceed four hours. Costco can
take a deposition of the Claimant and the Claimant can take a deposition

1 of any individual Costco identifies as the most knowledgeable about the
2 reasons for the promotion decision in question.

3 5.11.4 Unless otherwise agreed by the Parties, venue of the arbitration will be at a
4 location closest to the site of the challenged promotion in each of the
5 following cities: Seattle, San Francisco, Los Angeles, Chicago, Houston,
6 Atlanta, Washington D.C., New York, and Boston. However, unless
7 otherwise agreed by the Parties, Claimants who bring Claims implicating
8 different geographical regions will have their Claims heard by different
9 arbitrators in the respective locations.

10 5.11.5 The arbitrator will have authority to issue trial subpoenas, but not
11 discovery subpoenas, except a deposition subpoena per Section 5.11.3
12 upon a showing of good cause. The subpoena power will be limited, with
13 respect to current Costco employees, to (1) the person selected for the
14 challenged promotion, (2) the decision-maker(s) identified by Costco or
15 established through discovery, (3) other persons that the Parties agree have
16 material information concerning the promotion at issue, and (4) upon a
17 showing of good cause, one additional current Costco employee whom the
18 Claimant demonstrates has knowledge that bears directly on her
19 promotability as to the promotion at issue. For purposes of determining
20 good cause, it is the intent of the Parties not to unduly limit relevant
21 testimony but rather to ensure that Costco managers and executives are not
22 subpoenaed for any unnecessary or abusive purpose.

23 5.11.6 The Federal Rules of Evidence will govern, except the arbitrator has the
24 discretion to admit reliable hearsay and waive foundational requirements.
25 The parties will endeavor to resolve all issues concerning the admissibility
26 and authenticity of documents, other than rebuttal documents, in advance
27 of the arbitration.

28 5.11.7 The arbitration hearing will proceed without being transcribed. There will
be no post-hearing brief. Each side can make a closing argument, within
the time limits set out in Section 5.11.1.

5.11.8 The arbitrator will issue a written decision not to exceed three pages
within ten (10) business days of the arbitration.

5.11.9 The decision of the arbitrator is final and not subject to appeal.

5.11.10 A Claimant prevailing on an AGM promotion Claim by Formal
Arbitration may receive a sum no greater than \$250,000.

5.11.11 A Claimant prevailing on a General Manager promotion Claim by
Formal Arbitration may receive a sum no greater than \$600,000.

5.11.12 Attorneys' Fees and Costs For Prevailing Claims in Formal Arbitration –
Claimants who prevail on Claims by Formal Arbitration are entitled to
seek an award of reasonable attorneys' fees and costs, to be paid by
Costco, from Judge Edward Chen at the conclusion of the Monetary
Claims Process. Class Counsel and Costco may informally resolve the fee
award without the necessity of a fee motion.

1 5.12 Aggregate Award Amounts And Settlements Exceeding Net Settlement Fund –
2 To the extent that the total Award Amounts or Settlements exceed the Net
3 Settlement Fund, they will be reduced pro rata.

4 5.13 Total Award Amounts And Claim Settlements Amounting to Less than Net
5 Settlement Fund

6 5.13.1 Claim Settlements. Costco and any Claimant may, in lieu of awaiting an
7 Award, agree to settle a Claim. The amount of a Claim Settlement is not
8 subject to an enhancement as per Section 5.13.2 or otherwise. A Claim
9 Settlement will be paid from the Net Settlement Fund, and is subject to a
10 potential pro rata reduction per Section 5.12. This provision does not
11 apply to any settlement of a claim brought pursuant to Section 10.2.

12 5.13.2 Enhancement of Awards Up to Second Cap – If Award Amounts in the
13 aggregate do not reach the amount of the Net Settlement Fund, then
14 individual Award Amounts will be increased as follows. Each Claimant
15 with economic damages greater than the applicable individual cap will
16 receive the full amount of those damages up to the first caps, plus an
17 additional amount of her economic damages, up to the following Second
18 Caps: for confidential written Claims, \$12,500 AGM and \$25,000 GM; for
19 non-confidential written Claims, \$100,000 AGM and \$200,000 GM; and
20 for formal arbitration, \$175,000 AGM and \$300,000 GM. If, as a result of
21 crediting these additional amounts the aggregate of Award Amounts
22 would exceed the Net Settlement Fund, then the additional Award
23 Amounts would be reduced pro rata to ensure that the Award Amounts in
24 the aggregate equal the net settlement fund.

25 5.13.3 Distribution of Excess After Application of Second Cap – See Section 3.5.

26 5.14 Confidentiality of Monetary Claims Process Outcomes

27 5.14.1 All outcomes in the Monetary Claims Process will be confidential, and
28 may not, absent court order, be used in any subsequent proceeding.

5.14.2 Should the Court require either party to submit information about the
Monetary Claims Process outcomes, the Parties shall jointly seek the
Court's permission to file the information under seal.

5.14.3 Confidentiality of Awards

5.14.3.1 The "Notice of Class Action Settlement" will inform Class
Members that the Awards and Award Amounts are
confidential.

5.14.3.2 Upon filing a Claim, a Claimant will execute a specific
confidentiality agreement. Witnesses presented by either side
will execute a similar agreement before or during the
arbitration proceeding. The Claimant will execute a further
confidentiality agreement if the Claim is resolved in her favor.

5.14.3.3 The confidentiality agreements will advise the Claimant or the
witness of the legal consequences resulting from any breach of

1 confidentiality as to whether the arbitrator ruled for Costco or
for the Claimant, as described below.

2 5.14.3.4 Costco may not sue for a breach of confidentiality unless it
3 receives, from the arbitrator who decided the Claimant's
4 Claim, a certificate that Costco has good cause to believe that
the Claimant has breached the confidentiality agreement.

5 5.14.3.5 If, after receiving the certification from the arbitrator, Costco
6 proves in a court in the Claimant's home jurisdiction by clear
7 and convincing evidence that the Claimant breached the
8 confidentiality agreement, then she will be liable for liquidated
damages in the amount of 20% of the Award Amount. If
9 Costco does not prevail, then Costco will pay the Claimant's
reasonable attorneys' fees and costs.

10 5.14.3.6 The Claimant may not sue for a breach of confidentiality unless
11 she receives, from the arbitrator who decided her Claim, a
12 certificate that she has good cause to believe that Costco has
13 breached the confidentiality agreement.

14 5.14.3.7 If, after receiving the certification from the arbitrator, the
15 Claimant proves in a court in the Claimant's home jurisdiction
16 by clear and convincing evidence that Costco breached the
17 confidentiality agreement, then Costco will be liable for
18 liquidated damages in the amount of 20% of the Award
19 Amount or, in the event that the Award was in favor of Costco,
20 \$25,000. If the Claimant does not prevail, then the Claimant
will pay Costco's reasonable attorneys' fees and costs.

21 5.14.3.8 Nothing in this provision restricts any Party from seeking
22 appropriate injunctive relief for breach of confidentiality.

23 5.14.3.9 Nothing in this provision prohibits a Party to disclose Awards
24 and Award Amounts (a) to persons for whom such information
25 is necessary to effectuate the provisions of the Agreement (and
26 who shall be advised of its confidentiality and agree to this
27 provision), (b) to those employees and outside professional
28 advisors (e.g., accountants, lawyers, tax advisors) who need to
be aware of this Agreement or its terms in the ordinary course
of business to perform their duties and to properly advise the
parties, (c) to the extent such disclosure is required for
enforcement of this Agreement, (d) as required by federal or
state law or other applicable laws or rules, including, for
example, compliance with legally authorized discovery
procedures or the notice requirements of securities laws, (e) to
Costco's corporate affiliates, and (f) the Claimant's immediate
family members (who shall be advised of confidentiality and
agree to this provision).

26 5.15 Statute of Limitations

27 Any Claim challenging a promotion to AGM or GM is time-barred if the promotion was
28 filled prior to January 3, 2002.

7. Class Administration

- 7.1 The Class Administrator will discharge all duties customarily required of a class administrator, including, without limitation, mailing notices and calculating any required payments.
- 7.2 Within ten (10) days of the Effective Date, the Class Administrator will establish a Qualified Settlement Fund for the administration of any payments to be made under this Agreement. The Class Administrator will consult with the Parties regarding the methods for funding and distributing any payments.
- 7.3 The expenses of the Class Administrator shall be borne by the Gross Settlement Fund.
- 7.4 Within twenty-one (21) days of the complete funding of the Gross Settlement Fund (see Section 3.2), the Class Administrator will calculate the amount owing, if any, to each Claimant. The Claims Administrator will provide Class Counsel and Costco with a proposed distribution schedule, which each side will approve or propose any corrections to within five (5) business days. The Claims Administrator will then generate and mail checks to Claimants. Check distribution shall be accomplished by a first-class mailing to the last known address of record.
- 7.5 All checks shall expire one hundred-twenty (120) calendar days after initial issuance by the Class Administrator.
- 7.6 Class Notice Claims and Opt-Out Processes
- 7.6.1 The Class Administrator shall administer the notice program.
- 7.6.2 Costco will, within seven (7) days of Preliminary Approval, give the Class Administrator the names, social security numbers, and last-known postal

1 addresses of all Class Members. Class Counsel will provide any updated
2 addresses to the Class Administrator. The Class Administrator may take
reasonable steps to determine the most recent address of each Class
Member.

3 7.6.3 The Class Administrator will mail the Notice Packet to Class Members by
4 post-marked First Class U.S. Mail within seven (7) calendar days of
receiving Costco's list of the names and addresses.

5 7.6.4 The Notice Packet will include the Notice of Class Action Settlement and
6 the Opt-Out Form. The Parties will, prior to Final Approval, agree to the
content of Claims Form, using the same resolution process as provided in
7 Section 5.5.7.

8 7.6.5 The Notice of Class Action Settlement shall be substantially in the form
attached hereto as Exhibit 1.

9 7.6.6 Opt Outs. The Opt-Out Form shall be substantially in the form copied as
10 Exhibit 2. Class Members will have sixty (60) days from the date of the
mailing of the Notice Packet in which to postmark their notice of opting
11 out (the "Opt-Out Deadline"). Any Class Member who does not timely
request exclusion shall be bound by the terms of this Agreement.

12 7.6.6.1 To the extent permitted by rules of professional responsibility,
13 Class Counsel shall not solicit representation of Opt Outs in
order to sue Costco.

14 7.6.6.2 The Parties will not encourage or attempt to influence any
15 Class Member to opt out or to object to the settlement. Nothing
in this provision will limit the ability of Class Counsel to
16 provide legal advice to Class Members, upon their request,
about their options under the Settlement Agreement and the
17 Notice of Class Action Settlement.

18 7.6.6.3 Nothing herein inhibits in any way the ability of Class Counsel
or other counsel to represent Settlement Class Members who
19 wish to prosecute Claims under Section 5.

20 7.6.7 Objectors. Class Members shall have sixty (60) days from the date of
mailing of the Notice Packet in which to postmark their notice of objection
21 to the Settlement. Any Class Member who does not timely serve an
objection by the Objection Deadline shall be deemed to have waived any
22 objection thereto. Any Class Member filing a written Objection has the
right to appear at the Fairness Hearing in person or through her own legal
23 representative. She or her representative must notify the Class
Administrator of her intention to appear and present her objection at least
24 ten (10) days prior to the Fairness Hearing.

25 7.6.8 To provide the best notice practicable, any Notice Packet returned to the
Class Administrator as non-delivered shall be sent by post-marked First
26 Class U.S. Mail to any forwarding address provided on the returned letter,
if any. If no forwarding address is provided for a Notice Packet that is
27 returned as non-deliverable, within two (2) days of receipt of any
undeliverable Notice Packet, the Class Administrator will search to locate
28

1 a current address and will then mail the Notice Packet to the current
2 address. If no current address is located, then the Notice Packet for that
3 individual will be deemed undeliverable.

4 7.6.9 The entire period for objecting to the Settlement and timely submitting
5 Opt-Out forms shall not exceed sixty (60) days from the date that the
6 Class Administrator finishes the first mailing of the Notice Packet to the
7 Class.

8 7.6.10 The Class Administrator shall record postmark dates for the original
9 mailing of the Notice Packet, the mailing of later Notice Packets following
10 a reliable computer search method, and the Class Members who did not
11 receive a Notice Packet for want of a valid address.

12 7.6.11 Costco is responsible, at its own expense, to give notices to the relevant
13 government agencies as required by the Class Action Fairness Act
14 (CAFA). Costco will cause the CAFA notice and exhibits to be mailed no
15 later than 10 days after the Court has issued the Preliminary Approval
16 Order.

17 7.6.12 Upon completion of administration, the Class Administrator shall provide
18 written certification of such to counsel for the Parties.

19 7.6.13 Minimization of Administrative Costs. The Parties agree to make all
20 reasonable efforts to minimize the costs of administering this Agreement.

21 7.6.14 All mailings to Class Members shall be by First Class U.S. Mail, with a
22 postmark date on the envelope for each individual mailing.

23 7.7 Tax Treatment and Reporting Of Award Amount Payments

24 7.7.1 The Class Administrator shall pay to appropriate taxing authorities any
25 applicable taxes that must be withheld for the Claimants, including
26 employee FICA taxes.

27 7.7.2 The Class Administrator will ensure that payment of wages, subject to
28 withholdings required by law, will be reported on IRS Form W2.

7.7.3 The Class Administrator will ensure that payments of Service Payments
and interest, if any, will be reported appropriately on IRS Form 1099 or
otherwise.

7.7.4 Settlement Class Members will be responsible for any individual taxes due
on payments to them pursuant to this Agreement

7.7.5 Costco will be responsible for paying the employer's share of all
applicable payroll taxes.

8. Procedure for Court Approval and Class Notice

8.1 Once this Agreement is fully executed, the Parties shall take all necessary steps to
obtain preliminary approval. The Parties will confer on the form of the proposed
order for preliminary approval. The Parties shall cooperate in Plaintiffs' filing of a

1 motion for preliminary approval as soon as practicable, in any event no later than
2 December 17, 2013.

3 8.2 The proposed form of Preliminary Approval Order shall set a date for a hearing
4 (“Fairness Hearing”) of May 22, 2014, at which the Court will determine whether
5 the proposed Settlement should be finally approved as fair, reasonable, adequate,
6 and in the best interests of the Settlement Class Members; and whether a final
7 judgment should be entered dismissing all Claims in the Action with prejudice,
8 subject to Section 14.

9 8.3 If the Court does not approve this Agreement, then the Agreement will terminate
10 and be of no effect, unless the Parties agree to modify this Agreement in a manner
11 necessary to obtain Court approval.

12 9. Costco’s Right to Rescind

13 9.1 If ten or more Class Members opt out, or if the United States Equal Employment
14 Opportunity Commission initiates any enforcement proceeding alleging gender
15 discrimination in connection with promotions that are the subject of this Action,
16 then Costco, at its option, may rescind the Settlement Agreement.

17 9.2 Costco may exercise its right to rescind at any time up to ten (10) days before the
18 date of Final Approval.

19 10. Relief for the Named Plaintiffs

20 10.1 The named plaintiffs (Ellis, Horstman, and Sasaki), may pursue rights in addition
21 to those available to class members generally, by choosing to proceed under either
22 10.2 or 10.3 below.

23 10.2 A named plaintiff may choose to adjudicate her Claims asserted against Costco in
24 this litigation by trial before Judge Edward Chen. Any back pay, damages,
25 interest or attorneys’ fees awarded on these Claims will not be taken out of the
26 Gross Settlement Fund. All Parties reserve whatever rights to jury trial they have.

27 10.3 A named plaintiff may, in lieu of proceeding under Section 10.2 and seeking all
28 the Claims asserted in the complaint, choose to submit only her promotion Claims
through the Monetary Claims Process described herein. Any damages awarded on
these Claims will be taken out of the Gross Settlement Fund.

10.4 In addition, the named plaintiffs may ask the district court to award to each of
them a service payment of up to \$10,000 to be paid from the Gross Settlement
Fund. This service payment is not damages for discrimination, which Costco
denies, but rather compensation for services that the named plaintiffs have
rendered to the class.

11. Attorneys’ Fees and Costs

11.1 Costco has no obligation under this Agreement to pay for the attorneys’ fees or
costs of Plaintiffs or Class Members, except as expressly set forth in this
Agreement, including Sections 5.10.6, 5.11.12, 10.2, or 11.2

11.2 Plaintiffs may, in connection with their motion for Preliminary Approval, apply
for an award of reasonable attorneys’ fees and costs for the litigation up to the

1 date of final approval of the Class Action Settlement, to be paid by Costco.
2 Plaintiffs may also seek an award of reasonable attorneys' fees and costs for their
3 anticipated services in monitoring and administrating the settlement, to be paid by
4 Costco. Subject to any other order of the Court regarding timing of the motion,
5 Class Counsel will submit a motion for an award of such fees and costs to the
6 district court in conjunction with the motion for preliminary approval of the
7 settlement.

8 11.3 No attorneys' fees or costs to Class Counsel can be awarded without approval of
9 this Class Action Settlement Agreement. But approval of this Class Action
10 Settlement Agreement is not conditioned on the award of attorneys' fees or costs
11 to Class Counsel. Provisions of the Class Action Settlement Agreement for the
12 award of attorneys' fees are severable from the remaining provisions.

13 11.4 Fees awarded pursuant to Section 11.2 shall be paid by Costco to Class Counsel
14 within thirty (30) days of the day on which no timely appeal of the Final Approval
15 is still possible. Fees awarded in an order pursuant to Sections 5.10.6, 5.11.12, or
16 10.2 shall be paid by Costco to Class Counsel within thirty (30) days of the day
17 on which no timely appeal from that order is still possible.

18 12. Publicity

19 12.1 The Parties and their counsel will not initiate any comments to the media
20 regarding the Agreement and will limit their comments to the media to the
21 following effect: "We can confirm that the parties have submitted a proposed
22 settlement agreement for the court's approval. Under the terms of their agreement,
23 the parties have agreed not to share any details and to instead refer the media to
24 the court papers on file."

25 12.2 Beyond the foregoing, nothing in this Agreement will be construed to limit Class
26 Counsel in exercising whatever rights they may have to comment on the fact of
27 their representation in this case or to refer to public information concerning the
28 litigation.

13. Compliance Procedure

14 13.1 The Court will, upon the written request of any Party, appoint, pursuant to Federal
15 Rule of Civil Procedure 53 ("Rule 53") a Compliance Special Master to provide
16 oversight of the implementation by Costco of the terms in this Agreement.

17 13.2 Costco will submit, on each of two anniversaries of the Implementation Date, a
18 report to Class Counsel. The report will include status information on the work of
19 the Independent Consultant, and statistical information by gender of applicants for
20 AGM positions, candidates interviewed for AGM positions, and employees
21 selected for AGM and GM positions. In addition, Costco will provide information
22 that it otherwise prepares in the normal course of business on attrition by gender
23 from the AGM and GM positions.

24 13.3 Within thirty (30) calendar days of the submission of the report, Costco and Class
25 Counsel will confer on whether Costco has exercised good faith in complying
26 with its obligations under the terms of the Settlement Agreement. If the Parties
27 disagree, then Class Counsel will submit to the Compliance Special Master,
28 within fifteen (15) calendar days, a statement of position contending that Costco
has failed to act in good faith with respect to complying with its obligations under

1 the Settlement Agreement. Costco may, within fifteen (15) days of receiving that
2 statement of position, submit its response to the Compliance Special Master.

3 13.4 Within thirty (30) days of receiving the Parties' submissions, the Compliance
4 Special Master will conclude in writing either that Costco has met its obligation to
5 act in good faith under this Agreement, or inform the Parties of any aspect of non-
6 compliance in that regard.

7 13.5 If Class Counsel fail to demonstrate to the Compliance Special Master that Costco
8 has failed to act in good faith, then no further action is required at that time. Class
9 Counsel may file objections to the Compliance Special Master's conclusion as
10 described below.

11 13.6 If Class Counsel demonstrates to the Compliance Special Master that Costco has
12 failed to act in good faith, then Costco will promptly bring itself into compliance.
13 In the alternative, Costco may file objections to the Compliance Special Master's
14 conclusion as described below.

15 13.7 Pursuant to Rule 53, the Parties may file objections to the Compliance Special
16 Master's recommendation with the Court no later than twenty-one (21) days after
17 a copy of the Compliance Special Master's recommendation is served.

18 13.8 The fees and costs of the Compliance Special Master will be paid by Costco.

19 13.9 Dispute Resolution

20 13.9.1 The Parties will work diligently and in good faith to resolve all disputes
21 that may arise during the term of this Agreement concerning the rights,
22 obligations and duties of the Parties to this Agreement.

23 13.9.2 If the Parties cannot resolve their dispute, then they will mediate the
24 dispute within thirty (30) calendar days. Absent other agreement, Mark
25 Rudy shall mediate the dispute. Costco will pay the costs of mediation.

26 13.9.3 If mediation is unsuccessful, then the Parties will, within seven (7)
27 calendar days, submit a joint statement to the Compliance Special Master
28 describing the Parties' dispute and each Party's position on how the
dispute should be resolved. The Compliance Special Master will then,
within fourteen (14) days of receipt of the Parties' submission, resolve the
dispute in writing. If the Compliance Special Master determines that
Costco has not acted in good faith with regard to Section 4 of this
Agreement, then the Compliance Special Master may order Costco to
come into compliance.

13.9.4 Pursuant to Rule 53, either party may file comments or objections to the
Compliance Special Master's conclusion with the Court no later than
twenty-one (21) days after a copy of the Compliance Special Master's
conclusion is served.

13.9.5 Nothing in this Settlement Agreement authorizes any court or master to
impose any change in Costco's GM selection process.

1 14. Retention of Jurisdiction

2 14.1 The Court will retain jurisdiction of this matter after these claims are dismissed to
3 enforce the terms of this Class Action Settlement Agreement.

4 15. Miscellaneous Provisions

5 15.1 No Admissions

6 This Agreement shall not constitute an admission on behalf of Costco of any form of
7 liability or the accuracy of any allegations against it.

8 15.2 No Third Party Rights

9 Nothing in this Agreement creates rights for any person other than the Parties. The right
10 to enforce this Agreement is vested exclusively in the Parties. The Parties will cooperate
11 with each other to resist any efforts by non-parties to enforce this Agreement.

12 15.3 No Retaliation

13 Costco agrees it will not retaliate against any Class Member because of participation in
14 this Settlement, or because of receiving any award in connection with this Agreement, or
15 otherwise because of being a Class Member in this Action.

16 15.4 Advice of Counsel

17 The Parties agree that this Agreement reflects a good-faith compromise of all Claims
18 raised in this Action, based upon their assessment of the mutual risks and costs of further
19 litigation and the assessments of their respective counsel.

20 15.5 Extensions of Time

21 Unless otherwise ordered by the Court, the Parties may jointly agree, in a writing
22 executed by counsel for the Parties, to reasonable extensions of time to carry out any
23 provisions of this Agreement.

24 15.6 Integration

25 This Agreement, including all exhibits, constitutes a single, integrated written contract
26 expressing the entire agreement of the Parties relative to the subject matter hereof. No
27 covenants, agreements, representations, or warranties of any kind whatsoever have been
28 made by any Party hereto, except as provided for herein.

15.7 Representative Capacity

Each person executing this Agreement in a representative capacity represents and
warrants that he or she is empowered to do so.

15.8 Counterparts

This Agreement may be executed in any number of counterparts, each of which shall be
deemed an original, but all of which together shall constitute one and the same
instrument, even though all Parties do not sign the same counterparts. Copies and
facsimile transmission of signatures shall be considered the same as original signatures.

15.9 Cooperation of Parties

The Parties to this Agreement agree to prepare and execute all documents, to seek Court approvals, to defend Court approvals, and to do all things reasonably necessary to complete the Settlement described in this Agreement and to secure approval of the Settlement, including without limitation, seeking such relief from any stay of proceedings as may be warranted to secure approval of the Settlement through the trial court.

EXHIBIT 1

UNITED STATES DISTRICT COURT FOR THE NORTHERN DISTRICT OF CALIFORNIA
 ELLIS V. COSTCO WHOLESALE CORP., No. 04-3341

If you are a woman and are (or were) employed in a U.S. Costco warehouse as a Senior Staff Manager or Assistant General Manager, then a proposed class action settlement could affect your rights.

If you take no action, you will be bound by the settlement. Your rights will be impacted.

The federal court authorized this notice.

- Read this notice carefully. This notice is *different* from the notice that you may have received in December 2012. This notice explains the lawsuit, the settlement, and your legal rights.
- This notice describes a proposed class action settlement that, if approved by the Court, would provide for certain changes in Costco’s system for promotions to Assistant General Manager (“AGM”) and for an assessment of possible changes in Costco’s system for promotions to General Manager (“GM”). (See Section 7)
- The proposed settlement, if approved by the Court, also would create an arbitration claims process in which women may make claims for economic damages resulting from unlawful denial of promotions because of their sex. Unless you win your claim, you will not receive any money. The proposed settlement provides a fund to compensate women who bring successful claims. (See Section 8).
- The court has not decided whether Costco did anything wrong. But your legal rights may be affected, and you have a choice to make now:

YOUR LEGAL RIGHTS AND OPTIONS	
DO NOTHING; REMAIN PART OF THE SETTLEMENT	If you are satisfied with the terms of the proposed settlement, then you do not need to do anything now. If the Court approves the settlement, then you will receive a claims notice. You can file a claim seeking money in a claims process if you believe you were unlawfully denied a promotion because of your sex, or you can choose not to file a claim. An arbitrator will decide if your claim has merit.
OPT OUT	If you want to file your own lawsuit against Costco for sex discrimination for denying you an AGM or GM promotion, or if you do not want to be bound by this lawsuit, then you should exclude yourself (“opt-out”) from the settlement.
OBJECT	If you are not satisfied with the terms of the proposed settlement, then you may write about that to the Class Administrator. You may also appear in Court to explain why you don’t like it.

- These rights and options—and the deadlines to exercise them—are explained in this notice.

BASIC INFORMATION

1. Why Did I Get This Notice?

Costco's records show that you now work for Costco as either a Senior Staff Manager or an AGM in a U.S. warehouse, or have worked in one of those positions at some time on or after January 3, 2002.

This notice advises you of a proposed settlement of this class action lawsuit, and about your options, before the Court decides whether to approve the settlement. If the Court approves the settlement, and after objections and appeals (if any) are resolved, then there will be a claims process and arbitrators will decide who, if anyone, was unlawfully denied an AGM promotion or a GM promotion because of her sex and entitled to compensation.

2. What Is This Lawsuit About?

This lawsuit claims that Costco unlawfully discriminated against female employees based on their sex, by denying them opportunities for promotion to AGM or GM.

Costco denies it did anything wrong and no court has found that Costco did anything wrong. Costco retains its right to defend itself against any claim brought against it.

3. What Is a Class Action?

In a class action, one or more people, called Named Plaintiffs (in this case, Shirley "Rae" Ellis, Leah Horstman, and Elaine Sasaki), bring a lawsuit on behalf of people who a court finds have similar claims. These people, considered members of the same Class, are called Class Members. One court resolves the case for all Class Members, except for those who exclude themselves from the Class.

4. Why Is There a Settlement?

The Court did not decide in favor of Plaintiffs or in favor of Costco. Instead, both sides agreed to a settlement to avoid a court trial, to provide a process to re-evaluate and change, as appropriate, the promotion process, and to create a way to resolve money claims through a relatively quick arbitration process. The Named Plaintiffs and the attorneys appointed to represent the Class think the settlement is best for everyone in the Class.

5. How Do I Know If I am Part of the Settlement?

The class is defined as all current or former female Costco employees employed at any U.S. Costco warehouse at any time on or after January 3, 2002 who have ever been Senior Staff Managers or Assistant General Managers.

Some women who have already excluded themselves from the lawsuit (called “opting out”) are not Class Members and are not part of the settlement.

If you aren’t sure about your status, then you can contact Class Counsel at 1-866-501-2300 or at the email address below or the Class Administrator at the address identified in Section 28 below.

THE PROPOSED SETTLEMENT — ESSENTIAL TERMS

6. What Are the Terms of the Proposed Settlement?

The settlement provides a process to evaluate and implement program changes and an arbitration process to resolve claims of discriminatory denial of promotions.

Program Changes - Costco will implement job posting for AGM vacancies and will permit AGMs to formally register interest in specific GM positions. Costco will, in good faith, consider changes in its processes for making promotions to AGM and GM.

Claims Process for Money - If you bring a claim and an arbitrator decides that you were denied an AGM or GM promotion because of your sex, then you will receive compensation. The proposed settlement would create an \$8 million fund, from which any successful claimants would be paid. (For more description, see Sections 18-22).

PROGRAM CHANGES

7. What Changes Will Costco Make to the AGM and GM Promotion System?

- (1) An agreed-upon outside expert will analyze the AGM and GM jobs, evaluate the promotion process for these jobs, and recommend to Costco written selection criteria and tools for the AGM and GM promotion process.
- (2) Costco has agreed to post openings for AGM promotions within the geographic area where the opening occurs and candidates who meet the posted qualifications will be allowed to apply for the position.
- (3) Costco has agreed to implement a system that will allow AGMs to register an interest in GM positions in specific warehouses. Costco will consult the list of those who have registered an interest in that warehouse when it makes a GM selection. Registering an interest will help ensure that Costco is aware of who is interested in being considered for the promotion.
- (4) Costco will offer a merchandising training class for current Senior Staff managers who have not received merchandising experience relevant to promotion to AGM as a way of encouraging acquisition of that experience.
- (5) Costco will communicate with and train its managers concerning any program changes.

(6) Costco will submit reports about these changes for two years after they are made.

These changes will apply to both women and men applying for promotions to AGM and GM.

THE CLAIMS PROCESS

8. How Does the Claims Process Work?

You will have two different ways to make a claim if you choose to make one. You can make a written claim (called a Claim by Written Submission) or you can make a claim in person before a neutral arbitrator (called a Claim by Formal Arbitration).

If you are a current employee, then you also may choose to make a written claim confidentially so that your current AGM and GM (if you are a Senior Staff Manager) and your GM and Regional Operating Manager (if you are an AGM), will not know you are making a claim.

Every Claimant can challenge at least one specific promotion that she did not receive. She may challenge up to two additional promotions if she meets certain experience requirements stated in Section 5.3 of the Settlement Agreement.

The arbitrator will be given information about why you believe that you were interested and qualified for promotion to a specific AGM or GM position and why you believe the decision not to promote you to that position was a result of unlawful sex discrimination. Costco, too, may submit information to the arbitrator that Costco believes shows that your sex was not a factor in the decision not to promote you to that position. The arbitrator will decide whether or not you were denied promotion because of your sex.

If you choose, Class Counsel will represent you. If you win your claim, then Class Counsel will be entitled to ask that certain fees and costs be paid by Costco. You may instead hire your own lawyer and, if you win your claim, your lawyer will be entitled to ask that certain fees and costs be paid by Costco.

Whether you win or lose, you will not be charged any fee for participating in the claims process.

9. How Much Will I Get If I Win?

If you win, you will receive your actual losses up to a cap: lost salary, bonus, and the value of restricted stock units plus interest. Under certain circumstances, your award amount may be increased up to a second cap or decreased, which is explained in Section 20.

Type of Claim	Denial of Promotion into Which Position	Actual Damages Up to First Cap
Written	AGM	\$150,000 cap
Written	GM	\$300,000 cap

Arbitration	AGM	\$250,000 cap
Arbitration	GM	\$600,000 cap

Lower award amounts apply if you make a confidential claim. (See Section 17.)

The settlement does not provide for an award of emotional distress or punitive damages.

10. What Happens If I Lose My Claim?

You will receive no money if the arbitrator finds that your claim is not valid.

11. How Does the Claims Process Differ from Having My Own Case in Federal Court?

In the Claims Process, an arbitrator rather than a judge will decide your claim. Class Counsel will represent you without charge. Claims decided by an arbitrator often are resolved more quickly than claims decided by a judge or jury. Your wage loss is capped, as explained in Sections 9 and 21. You cannot seek emotional distress or punitive damages or an order giving you a promotion. If you choose to make an arbitration claim, there are limits on how long the arbitration lasts, what discovery tools your lawyer can use to get information, and what evidence can be used to support your claim. The number of promotions you may challenge is explained in Section 8. The outcome of the Claims Process is confidential. Neither side can appeal the result.

If you brought your own lawsuit in federal court, then your case would be decided by a jury or a judge. You would have to find a lawyer to represent you. The limits on discovery tools and evidence that apply in the Claims Process would not apply in the same way in court. You would be entitled to seek emotional distress and punitive damages (up to a cap of \$300,000) in addition to your wage loss and an order promoting you. The number of promotions you could challenge would not be subject to any limits and would depend on the evidence. The court proceedings and the outcome would be public. Either side could appeal the result.

12. Do I Need to Decide Now Whether to File a Claim or Which Kind of Claim to File?

No. Right now, the only decision you need to make is whether to opt out of the settlement or to object to the settlement. Both of those options are explained below.

13. Can I Get Help in Deciding What Kind of Claim to File? Will I Have a Lawyer in the Claims Process?

If the Court approves the settlement, then you will be able to consult with Class Counsel and decide if you will file a claim, and what kind of claim to file. There is information available about the past promotions, and who was selected, that will assist you in making a decision. There is no charge to you for consulting with the lawyers to decide whether to file a claim, or for preparing your claim. If you do decide to file a claim, Class Counsel will represent you through all stages of the Claims Process at no charge to you. You also can choose to hire your own lawyer.

14. Will My Job or Future Promotions Be Affected If I Participate in the Claims Process?

No. Costco supports the right of Class Members who believe they have been subject to sex discrimination in promotion to have their claims determined by a neutral arbitrator in the Claims Process. Retaliation is illegal. If you believe that you are being subjected to any kind of retaliation in connection with the case or the Claims Process, then you can notify Class Counsel, notify your own independent counsel, or use Costco's Open Door process (if you are a current Costco employee).

15. Can I File a Claim If I Have Been Promoted to AGM or GM But I Believe That I Should Have Been Promoted Sooner?

Yes. If you win your claim, your economic losses would be based on the time period before you received the promotion.

16. If I Win, Then Can The Arbitrator Order Costco to Promote Me?

No. The Claims Process provides for only money damages. By staying in the case and not opting out, you give up your right to have a court order that you be promoted to AGM or GM.

17. Can I Make a Confidential Claim?

If you are a current Costco employee, then you can choose to make a written claim on a confidential basis so that the manager directly above you, and his or her direct manager, will not know about your claim. If you choose to make a confidential claim, then the maximum that you can receive if you are successful is:

Type of Claim	Denial of Promotion into Which Position	Actual Damages Up to Cap
Written/Confidential	AGM	\$25,000 cap
Written/Confidential	GM	\$50,000 cap

Under certain circumstances, where Costco takes the position that it would be unfair for the claim to be heard on a confidential basis, Costco may ask the arbitrator to remove the confidentiality. If the arbitrator removes the confidentiality, then you will have the right to change your claim to non-confidential or to withdraw it.

18. If I Win My Claim, Then When Would I Get My Payment?

Payments will be made at the completion of the Claims Process, which may be more than a year after the Court approves the settlement.

19. If I Win My Claim, Then Will Everyone Know How Much I Got? Or, If I Lose My Claim, Will Everyone Know that I Lost?

No. All outcomes in the claims process (win or lose) will be kept confidential. To participate in the claims process, you will sign an agreement to keep the outcome confidential (with a few exceptions like your spouse or tax advisor). The agreement will explain the legal and financial consequences if you do not keep the outcome confidential.

Costco is bound by the same duty to keep the outcomes confidential.

20. Under What Circumstances Can My Award Be Increased or Decreased?

If the total amount of successful claims results in award amounts of less than \$8 million, then the award amounts will be increased as follows. Any Claimant whose actual award amount exceeded the first cap (see Section 9) will get the rest of her award amount, subject to a second cap.

Type of Claim	Denial of Promotion into Which Position	Actual Damages Over First Cap Up to Additional Second Cap
Written Confidential	AGM	\$12,500
Written Confidential	GM	\$25,000
Written	AGM	\$100,000 cap
Written	GM	\$200,000 cap
Arbitration	AGM	\$175,000 cap
Arbitration	GM	\$300,000 cap

If the total amount of successful claims results in award amounts exceeding \$8 million, then each successful claimant's award amount will be reduced pro rata.

21. What Happens If The Total of The Award Amounts Is Less Than \$8 Million?

If the total of the award amounts does not reach \$8 million, then all of the money not allocated to award amounts and certain settlement-related expenses will be donated to Network for Executive Women, Consumer Products/Retail to fund scholarships or otherwise assist women pursuing leadership roles in retail management.

22. What Claims Are Released by the Settlement?

All class members who do not opt out of the settlement are giving up (also called “releasing”) their rights to sue Costco for money damages for gender discrimination in connection with a failure to promote them to AGM or GM since January 3, 2002. Class members give up these rights whether or not they choose to make a claim in the Claims Process. Class members who are current employees also give up their individual rights to seek certain injunctive relief, i.e., a court order that requires an employer to change its promotion practices.

NAMED PLAINTIFFS

23. What Can the Three Named Plaintiffs Get Under the Settlement?

The three Named Plaintiffs may make a promotion claim in the Claims Process or may choose a trial before the Court.

They also may ask the Court to award a service payment of \$10,000 each, to be paid from the settlement fund. A service payment is not for damages for discrimination, but would be a payment for services the Named Plaintiffs have provided to the Class in obtaining the settlement. The Court may grant this payment, approve the request at a lower amount, or award no service payment.

THE LAWYERS REPRESENTING YOU

24. Do I have a Lawyer in this Case?

The Court appointed the law firms of the Impact Fund; Lewis, Feinberg, Lee, Renaker & Jackson, PC; Lieff Cabraser, Heimann & Bernstein, LLP; Davis, Cowell & Bowe, LLP; and Altshuler Berzon, LLP to represent you and other Class Members. Together, the lawyers are called Class Counsel.

25. How Will the Lawyers be Paid?

Class Counsel will ask the Court for an award of attorneys’ fees and costs, to be paid by Costco, in the amount of \$4,583,959.64 for the services that they have provided to the Class up to the date that the proposed settlement agreement is approved by the Court. They also will ask for fees for anticipated services in monitoring and administering the settlement in the amount of \$300,000.

You can review the request for attorneys’ fees at www.GenderClassActionAgainstCostco.com. You can submit a written objection to the request. The Court will examine the fees request of Class Counsel at the Fairness Hearing, as well as any objections to that request, and determine the amount of fees to award, if any.

Attorneys’ fees and costs will not be paid from the settlement fund.

OPTING OUT OF THE SETTLEMENT

26. Who Should Opt Out of the Class?

If (1) you want to keep the right to sue or continue to sue Costco on your own for sex discrimination in unlawfully denying an AGM or GM promotion, or (2) you do not want to be bound by the settlement of this lawsuit, then you should take steps to get out of the settlement. This is called “opting out.”

27. How Do I Opt Out of the Class?

To opt out of the settlement, you must complete the Opt Out form included with this notice. Be sure to include your name, address, telephone number, and your signature. You must mail your completed Opt Out form postmarked no later than **DATE, 2014** to:

Ellis v. Costco Opt Outs
Settlement Services, Inc.
Post Office Box 10847
Tallahassee, Florida 32302-2847

You cannot opt out by phone or email.

If you ask to opt out, then you cannot participate in the Claims Process, and you cannot object to the settlement. You will not be legally bound by anything that happens in this lawsuit.

You cannot exclude yourself from the program changes called for by the proposed settlement.

OBJECTING TO THE SETTLEMENT

28. How Do I Tell the Court That I Don't Like the Settlement?

If you're a Class Member, then you can object to the settlement if you don't like any part of it, and the Court will consider your views.

To object, you must send a letter saying that you object to the *Ellis v. Costco* proposed settlement. Be sure to include your name, address, telephone number, signature, and the reasons you object to the proposed settlement. Mail your objection to the Class Administrator postmarked no later than **DATE, 2014**.

Ellis v. Costco Objections
Settlement Services, Inc.
Post Office Box 10847
Tallahassee, Florida 32302-2847

29. What's the Difference Between Objecting and Opting Out?

If you **object**, then you are telling the Court that you don't like something about the proposed settlement. You can object only if you stay in the Class.

If you **opt out**, then you are telling the Court that you don't want to be bound by this settlement. If you opt out, then you cannot object to the proposed settlement, because then the case would no longer affect you.

THE COURT'S FAIRNESS HEARING

30. When and Where Will the Court Decide Whether to Approve the Settlement?

The Court will hold a Fairness Hearing at **TIME** on **DAY, DATE**, 2014, at the United States District Court for the Northern District of California, 450 Golden Gate Avenue, San Francisco, CA in Courtroom 5.

At this hearing, the Court will consider whether the settlement is fair, reasonable, and adequate. If there are objections, then the Court will consider them. The Court will decide whether to approve the proposed settlement. We do not know how long these decisions will take.

31. Do I Have to Come to the Hearing?

No. Class Counsel and Costco's counsel will answer questions the judge may have of them. If you send an objection, then you don't have to come to Court to talk about it. As long as you mailed your written objection on time, the Court will consider it. However, you may appear in person or have your own lawyer attend.

32. May I Speak at the Hearing?

You may ask the Court for permission to speak at the Fairness Hearing or hire your own lawyer to speak for you. To do so, you must send a letter saying that it is your "Notice of Intention to Appear in *Ellis v. Costco*." Be sure to include your name, address, telephone number, and signature. Your Notice of Intention to Appear must be postmarked no later than **DATE, 2014**, and be sent to the Class Administrator, at the address in Section 28.

IF YOU DO NOTHING

33. What Happens if I Do Nothing at All?

If you do nothing, then you'll be entitled to file a claim in the claims process or choose not to file a claim.

You will be releasing your right to bring your own independent lawsuit, continue with such a lawsuit, or be part of any other lawsuit against Costco about the legal issues in this case.
